IGAF WORLDWIDE WELCOMES NEW MEMBER IN HOUSTON, TX, USA

ATLANTA, GEORGIA — December 1, 2008 — IGAF Worldwide is pleased to announce that Calvetti, Ferguson & Wagner P.C. (CF&W) of Houston, Texas, USA is the newest member firm to join the association's North American Region.

Founded in 2003, CF&W's seven partners and 40 employees serve both private and public companies. The firm sets itself apart in the middle market by providing national, multinational, and international experience, as well as personal partner attention to each client. Industries in which CF&W offers particular concentration include oil & gas services, energy exploration and production, manufacturing, retail, trading, high technology, real estate, distribution, healthcare, banking, and insurance. Just a few of the services currently provided by the firm include audit and assurance; merger, acquisition & divestiture; tax consulting and compliance; Sarbanes-Oxley and internal audit; management advisory services; small business advisory services; and information technology controls and consulting. Language proficiencies at the firm include English, Spanish, French, and German.

"Our objective is to provide superior networking, information sharing, and services to our member firms, with the result that IGAF Worldwide members are regularly numbered among the great accounting firms worldwide," said Kevin Mead, IGAF Worldwide Executive Director. "We are pleased to be able to welcome Calvetti, Ferguson & Wagner to our association, and we are excited to offer member firms' clients additional representation in Houston through IGAF Worldwide. IGAF Worldwide member firms and their clients will reap immediate benefits from the knowledge and expertise that Calvetti, Ferguson & Wagner can share around the globe, particularly as it relates to niche practices such as oil & gas services and energy exploration & production."

IGAF Worldwide is one of the strongest associations of independent public accounting firms in the world, comprised of over 150 highly successful firms in 61 countries. Founded in 1977, IGAF Worldwide provides member firms with tools and resources to help them furnish superior accounting, auditing, and management services to clients around the globe. Through IGAF Worldwide, member firms offer the strength and capabilities of a large, worldwide organization with technical depth and geographic reach impossible for a local firm alone.

For more information about IGAF Worldwide and the services it offers its member firms and their clients, visit the IGAF Worldwide Web site at www.igafworldwide.org.
