SCHNEIDER DOWNS' JEFF ACHESON FEATURED ON PUBLIC RADIO'S MARKETPLACE

(Pittsburgh, PA)— Jeff Acheson, Managing Director of Schneider Downs Wealth Management Advisors, was featured this morning in a story on Marketplace, the popular public radio (American Public Media) program.

The clip, available at http://marketplace.publicradio.org/display/web/2009/06/24/am_401k_fees/, addressed legislation currently in the US House of Representatives that deals with buried fees charged by 401(k) plans.

Schneider Downs Wealth Management Advisors, LP is a leading provider of investment management and comprehensive and integrated retirement services to high-net-worth individuals, business owners, pension and profit-sharing plans, trusts, estates and charitable organizations. Schneider Downs Wealth Management Advisors, LP is a financial and investment planning affiliate owned and operated by the shareholders of Schneider Downs & Co., Inc.
