Green & Seifter CPAs Lend a Hand at The Samaritan Center

Syracuse, NY – February 8, 2009 – Green & Seifter, Certified Public Accountants, PLLC joined together with Green & Seifter Attorneys, PLLC for an afternoon of community service at the Samaritan Center in downtown Syracuse. A group of employees including accountants, attorneys, and support staff, spent the afternoon serving meals, washing dishes and interacting with guests of the Samaritan Center. Bill Hider, Business Manager at Green & Seifter Attorneys PLLC, and his band, Folkstrings, entertained the guests as they entered the Center. The employees also sponsored the meal by collecting money from their “Wear Jeans to Work Day” fundraiser. They also collected and donated clothing to the Center.

This community outreach is part of an ongoing, employee initiated program supported by the management committees of both firms. Each month a different charity is selected by the Volunteer Events Committee based on employee recommendations and affiliations. The Samaritan Center was selected based on the firm's membership with the Corporate Volunteer Council. The Corporate Volunteer Council helps fosters relationships between not-for-profit organizations and local businesses. Their first inaugural signature project is with the Samaritan Center. If you or

your business are interested in being a part of this exciting project, please contact Kelly Knab, volunteerism associate at the United Way at kknab@unitedway-cny.org or 315.428.2246.
