Regional CPA and Business Advisory Firm Demonstrates Expertise in Microsoft Technology

Schneider Downs Recognized as Microsoft Partner for Dynamics NAV ERP

PITTSBURGH, PA – Schneider Downs Technology Advisors announced it has earned Certified Partner status in the Microsoft Partner Network, which recognizes Schneider Downs' expertise and impact in the technology marketplace.

As a Certified Microsoft Partner, Schneider Downs Technology Advisors has demonstrated expertise with Microsoft Dynamics NAV, a complete enterprise resource planning (ERP) software solution for mid-sized organizations, and has a proven ability to meet customer needs. Schneider Downs Technology Advisors will attend additional training to attain Microsoft Gold Partner status, a designation reserved for top-tier performers in the technology marketplace.

"Only companies that have demonstrated high levels of customer service, proved their experience and attained advanced certification receive the designation of Microsoft Certified Partner," said Allison Watson, corporate vice president of Worldwide Partner Group at Microsoft Corp. The Microsoft Partner Network recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.

With offices in Pittsburgh, PA and Columbus, OH, Schneider Downs is one of the 50-largest public accounting and business advisory firms in the United States. Schneider Downs Technology Advisors is committed to providing value-added technology services and solutions to their clients. With over 200 successful ERP implementations, Schneider Downs Technology Advisors have been consistently delivering solutions to customers for the past 20 years, in both small companies and large enterprises in the wholesale, distribution manufacturing and service industries. Many of their consultants have multiple vendor certifications for application software, hardware and operating systems.
